Paralda Giveaway

One lucky winner will be the first in the U.S. to receive one Paralda—the first and only 100 percent lead-free, ozone-safe, Energy Star–qualified home air purifier ever available in America, from Texas-based Alen Corporation. Approximate retail value: \$500.

Approved by both the Environmental Protection Agency and the U.S. Department of Energy, Paralda is the first certified “green” home air purifier. It contains the most advanced HEPA filtration system, a UV lamp set to last three to five years, a 24-hour programmable timer, and a low power consumption of 55 watts. The slender, compact and modern design features a translucent outer core with two color choices for the inner core: bamboo green or white. Visit alencorp.com/air_purifier_Paralda.asp for more information.

No purchase necessary

Entry period: June 16 –July 16, 2008 Noon ET.
